civic amenities (i.e. electricity, water, roads and drains in private land on health and hygienic ground only) as permitted by the Hon'ble Delhi High Court in CWP No. 4771/ 93 are being provided by the Government of Delhi to such of those unauthorised colonies whose names figure in the list of 1071 which are on private land and in whose case authenticated layout plans are available. However, electricity and water supply is being provided only after the development charges as per policy of Delhi Vidyut Board and Delhi Jal Board respectively are deposited by the concerned Resident Welfare Association.

The unauthorised colonies Jai Vihar Block H and Block G neither find mention in the list of 1071 unauthorised colonies nor in the additional list of 238/334 unauthorised colonies as prepared by the MCD in 1997 and 2000 respectively.

The Delhi Jal Board has stated that Shyam Vihar Phase-I exists in the list of 1071 unauthorised colonies but the residents have not deposited the requisite development charges for providing water supply as per policy. At present drinking water is being supplied through Water Tankers.

Similarly, the Delhi Vidyut Board have informed that Shyam Vihar Phase-I is one of the unauthorised colonies identified for electrification.

Notification regarding roof top train water harvesting

452. PROF. M. SANKARALINGAM: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether last year his Ministry has issued a notification regarding roof top rain water harvesting;

(b) if so, the situation, as of now, with regard to its compliance by the concerned parties;

(c) the details of the penalty imposed on erring owners and architects; and

(d) the number of owners and architects on which penalties have been imposed for non-compliance of the notification?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) Yes Sir.

(b) MCD has stated that as per the Notification they are obtaining a

certificate for providing necessary provision for water harvesting during the course of construction as stipulated under Clause 22.4.1 and 22.4.2 of the Building Bye-laws and this Notification is being duly complied with the MCD at the time of sanction of building plans.

Delhi Jal Board has stated that upto 31.12.2001, 150 works of rain water harvesting had been completed. 35 works are in progress and 8 more sites have been identified for such works.

CPWD has stated that a provision for roof top rain water harvesting is being made in all the new buildings being designed, after the issue of notification dated 28.7.2001.

NDMC has stated that all the applicants approaching them, after this notification for sanction of plans/completion plan, are being asked to make provision of roof top rain water harvesting in the respective premises. Before release of the completion certificate, it is ensured that such provision exist at site.

(c) and (d) In the notification there is no provision for imposing of penalty. However, NDMC has stated that there is no erring instance after this notification. Completion certificate is issued only after ensuring that such provisions exist at site.

MCD has stated since the validity of sanction of building plans is for two years and the period of two years from the date of Notification is not yet completed, the question of any action on erring owner and Architect does not arise at this stage.

Development of Infrastructure for Dwarka Sub-city

453. SHRI P. PRABHAKAR REDDY: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether a huge Dwarka sub-city is presently under construction in Delhi under the aegis of the Delhi Development Authority;

(b) if so, the details thereof including its location;

(c) the provisions made with regard to water supply, electricity, sewerage, telecommunication, transport and marketing facilities;

(d) the steps taken to develop the approach roads to the proposed complex including construction of fly-overs and provision of metro rail connection etc.
